All participants will need to adhere to social distancing measures. These include:

- Chairs will be spaced 6 feet apart
- Those standing should be 6 feet apart from one another, unless part of the same household
- Wearing a face covering is recommended
- Use “Enter” and “Exit” doors appropriately
- Avoid hand shaking or physical contact with other attendees
- Maintain all hygiene standards:
  - Wash hands frequently with soap and water for at least 20 seconds. Restrooms will be available onsite.
  - Use hand sanitizer frequently
  - Avoid touching your face
  - Cover coughs or sneezes (e.g. into a tissue, sleeve, or elbow; not hands)

Following the conclusion of the presentation, the project team will answer as many questions as possible during the remaining time.

Submitting a question during the meeting or through the live-stream comments does not guarantee it will be answered at that time. The project team will collect all questions submitted during the meeting and through the public comment period and group these according to commonly asked subjects. An FAQ will be developed to address those subjects and posted on the project website.

Respect the group and presenter. Those individuals that have questions or comments that include foul language, threats or obscenity will be removed from the meeting at UDOT’s discretion.

Questions and comments made during the meeting are helpful to the project team but we ask that you please submit formal comments on the EIS through the official project channels (email, website, voicemail, letter mailed to the project team) during the public comment period of June 8 to July 10, 2020:

- Website: udot.utah.gov/littlecottonwoodeis
- Email the project team at littlecottonwoodeis@utah.gov

AFTER THE MEETING
