VIRTUAL PUBLIC MEETING
PARTICIPANT GUIDE

ABOUT THE MEETING

June 22 and 23, 2020, 6-8 p.m.

• The meeting platform being used is Zoom.
• There is a 1,000 participant capacity.
• If the meeting reaches capacity, others may leave and open up spaces. The meeting will also be live streamed via Facebook to the UDOT Little Cottonwood Canyon EIS group.
• The format of the meeting is presentation style, where the project team will take participants through the information, similar to how your local governments go through an agenda. If you join late, you may miss parts of the presentation.
• The meeting and chat will be recorded as part of the project record and will be available to view on the project website.

JOINING THE MEETING

☑️ Go to udot.utah.gov/littlecottonwoodeis to access the link for the meeting.
☑️ Ensure you have either speakers or headphones to listen to the meeting.

DURING THE MEETING

• Only the presenter will be speaking, all participants will be muted when the presenter is speaking.
• Attendees will be able to submit questions in the chat box throughout the meeting. Following the conclusion of the presentation, the project team will answer as many questions as possible during the remaining time.
• Submitting a question during the meeting or through the live-stream comments does not guarantee it will be answered at that time. The project team will collect all questions submitted during the meeting and through the public comment period and group these according to commonly asked subjects. An FAQ will be developed to address those subjects and posted on the project website.
• Respect the group and presenter. Questions or comments that include foul language, threats or obscenity will be deleted at UDOT’s discretion. Those individuals will also be removed from the meeting.
• Questions and comments made during the meeting are helpful to the project team but we ask that you please submit formal comments on the EIS through the official project channels (email, website, voicemail, letter mailed to the project team) during the public comment period of June 8 to July 10, 2020:
  - Website: udot.utah.gov/littlecottonwoodeis
  - Email the project team at littlecottonwoodeis@utah.gov

AFTER THE MEETING

To view a recording of the public meeting, visit the project website.
